

IN-LAB TIME: 3 WORKING DAYS

ADD 1 additional day for scanning ADD 1 additional day for packaging or for any combination of manufactured products (i.e. buttons or trader cards)
 MAXIMUM in-lab time is 4 days for digital, 5 days for film. The received date for your order is the first working day after the day we receive your order in the lab.

Express Events is Buckeye's custom event solution for digital or film capture. This comprehensive, flexible and affordable program provides options for events that have a profit-building potential for studios. With virtually unlimited package creation options, you have the flexibility to customize packages that fit within your current event program.

SPECIFICATIONS

- Minimum order requirement is \$12.00. Fuji Crystal Achieve paper is used unless Fuji Pearl paper is requested (30% additional charge)
- Finishing services are not available for this product line.
- Split units cannot be die cut.

ACCEPTED FILM/FILE FORMATS**FILM**

- We request that you use Fuji Professional or Kodak Professional films.
- For consistent color values, you must use one film brand throughout your job.

DIGITAL FILE FORMAT

- Files must be submitted with the original camera file name.
Do not re-name or re-number files.
- Files should be saved as .jpg
- Save all files in RGB
- Set camera to continuous numbering and use original camera file names.
- File names MAY NOT contain the characters:
 \ / : * . ? " > < | or ,

COLOR CORRECTION

- Each job is given an overall color correction with no additional charge. This works well when your location/lighting is consistent throughout the entire job.
- You may request individual color correction for jobs with varied lighting and/or locations. \$0.25 per image.
- You may request NO color correction if you have managed your own color.

SHIPPING

- Express Events orders will be shipped via UPS Ground. If you desire faster service, it will be billed at actual cost.

CUSTOM GRAPHICS

- Custom Graphics can be designed specifically for your studio to help grow your sales. There are several custom graphic options available. Please consult your sales representative for complete details and ordering instructions. All custom graphic orders must be submitted 30 days before the date you photograph your event.

AVOID UNNECESSARY HANDLING CHARGES

Film processing is included with your Event order. Submitting preprocessed film causes excessive handling by lab personnel to remove dirt. Therefore, submitting preprocessed film will be subject to a handling fee equal to one half (50%) of the regular film processing prices.

ADDITIONAL CHARGES

- There is a \$5.00 charge to change an order once it is received at the lab. No changes may be made after the order has been printed.

SEE D-4 FOR PRICING INFORMATION**GRAPHIC PRINTS**

The following event graphics are available in the products listed on the Express Events Package Units Sheet. If you are using these graphics in your packages, the event graphic code must be listed on the Express Events Run Sheet.

Please note that the image areas in the event graphics will closely align with a 5x7 aspect ratio.
