**SPECIFICATIONS FOR FILM PROCESSING**

- Pricing is for film processing only.
- If prints are desired, you must also have your film scanned (see pricing below).

**FILM SCAN & PROOF**

The size or resolution of the scan desired depends on the final print size required from the image. The prices stated are for long-roll color film. Digital proofs can also be ordered in conjunction with scanning services.

**LONG ROLL SCANNING**

Two levels of service are available for this product.

The entire roll will be scanned and billed as a complete roll.

**WEDDING SCAN (Approximately 15 meg)**

The final print from this image should not be over 11x14

**PORTRAIT SCAN (Approximately 30 meg)**

The resolution of this scan provides a clear image up to a 30x40 final print

**SPECIFICATIONS FOR SCANNING**

- The entire order must be the same level of scan.
- All scans are color corrected.
- Scanning is priced per roll regardless of the number of frames exposed.
- There is no credit for partial rolls.
- Film processing is additional (SEE FILM PROCESSING ABOVE).
- Price includes the CD.
- Additional CDs may be ordered at the time of the original order for \$4.00 each.
- We accept all Kodak or Fuji Professional films for scanning.

**HOW TO ORDER SCANS**

- Submit your film with a work order form.
- On your work order form, indicate the desired level of scan in the special instructions area.
