

WHEN TO ORDER

When you want the ultimate print, for your most discriminating customer.

IN-LAB TIME: 4 working days

Fine Art Prints are available in two formats:

- **BORDERLESS** – full-bleed image
- **SALON** – the image has a white border to accent the print (see chart for details)

Each format is available in your choice of:

- Black & White
- Sepia Tone

	SALON PRINT		BORDERLESS PRINT (FULL BLEED PRINT)

20x24	76.95	16x20	99.30
24x30	98.50	19x25	121.70
30x30	143.50	24x24	165.35
30x40	176.80	24x34	197.60

SPECIFICATIONS**PAPER:**

Hanmuhle Photo Rag 308 is a bright white, 100% cotton rag, acid-free paper specially formulated for optimum photographic output. This is archival-quality paper.

PIGMENT:

The Piezotone pigment inks are specially formulated for premium B&W output. This pigment provides a 12-shade tonal range to reproduce a high quality Black & White print. The combination of the Photo Rag paper and Piezotone ink create a print with unparalleled archival quality.

HOW TO ORDER

NOTE: Fine Art Print orders may not be combined with any other order.

FILM:

- Submit your negative with a Buckeye Work Order Form. Specify "Fine Art" in the Special Instructions.
- Each order must include a Fine Art Order Form.
- Specify crop. Please note that Full Bleed and Salon Fine Art Prints have different cropping areas. See chart for details.
- Negatives will be dust spotted and sharpened as needed.

DIGITAL FILES:

- Submit your file with a Buckeye Work Order Form. Specify "Fine Art" in the Special Instructions.
- Digital images should be submitted in JPEG or TIFF formats, as RGB color files.
- JPEGs should be saved with the quality setting at 12 and in the default format baseline standard.
- TIFFs should be saved with no compression.
- We prefer the digital images to be in color; however, we will accept grayscale files.
- Do not sharpen the images.
- If a certain look is desired, a match proof must be submitted with the order.
- If a specific crop is desired, a match proof with crop marks must be submitted with the order. Please note that Full Bleed and Salon Fine Art Prints have different cropping areas (See chart for details).

BOSS:

- Choose "Fine Art Prints" under catalogs
- Select Black & White or Sepia
- Choose Size and Style (Salon or Full Bleed)

Finishing Services

- Digital retouching (traditional retouching is not available).
- Mounting – Artboard, Styrene, Foamcore and Masonite. (Mounting substrates are not acid-free)
- Spray is not available.
